

## **Tentative Plan for Visiting Scholars**

### A. Participation in the research activities of the Research Division

- (i) Present a completed paper in IRTI Seminar (list of paper presented)
- (ii) Attend the IRTI Seminar (list of seminar attended)
- (iii) Review the IRTI work (e.g. referee for IES Journal)
- (iv) Participate in the meeting (research related meeting e.g. research proposal presentation)

### B. Completed research that supports the Division's research cluster (as attached)

- (i) Present the progress report on the paper at the division level (with preliminary results)
- (ii) Collaborating research work with IRTI staff

### C. Publishing program

- (i) Abstract to be submitted in conference/seminar/workshop
- (ii) Submitted works (e.g. paper submitted to journal)

[Note: supplemented documents should be attached in appendix]
